MINISTRY & LIFE PERSPECTIVES

Humanae Vitae is 55 years old this week. Written by St. Pope Paul VI in 1968, this encyclical on responsible parenthood caused great upheaval in the Church in its day. And arguably, that tension between what science and technology make possible and what faith tells us God has inscribed in the natural

world has never been settled. It remains a problem each person is called to address in life's decisions and choices.

Say "*Humanae Vitae*" today and people have different reactions. Many perhaps would have a "File Not Found" message in their eyes. Others somewhat familiar with the document may think of contraception. Some have concluded it was an overreach of faith into the world of science, with values no longer relevant to the modern age. By the way, this view is not new, and in the early paragraphs of the encyclical Pope Paul addresses the objections clearly. I always think he chose to release it on July 25 because that is the feast of St. James, the first of the apostles to be martyred. Paul knew well this would not be a welcome message to all.

But *Humanae Vitae* is in fact about the remarkable gift of human life (what the title means in Latin) that is entrusted by God, the Lord and Giver of Life, to human collaboration. Its theme is responsible parenthood, and the dignity of being a mother and father, called to be cocreators of each child's life—a life that will endure eternally. While the language may sound a bit stilted in 21st century discourse, *Humanae Vitae* speaks clearly to so many of the issues that continue to stress our social life.

Reading the encyclical, we find perspective on the gift of creation and the goodness of nature. We understand the infinite value of every human life, as the divine image is transmitted from generation to generation through human life and love. This value of life illuminates the response of faith not only to abortion and contraception, but to war, immigration, poverty, homelessness, respect for those who differ from us, and our everyday interactions. Its vision of the fundamental goodness of human sexuality that allows us to share in the creative love of God gives context to the debates around gender, over-the-counter contraceptive pills, chemical abortifacients that come in the mail, the reduction of the human body to a marketing tool, and many others.

(Ministry & Life Perspectives Continued)

Humanae Vitae does not provide a checklist answer to every question. Rather, it creates a positive vision of God's love active in human freedom. It sketches a portrait of our potential and our greatness, while at the same time acknowledging our human frailty and imperfection. Borrowing language from another document about human life, 1987's *Donum Vitae* on artificial reproductive technologies, *Humanae Vitae* may conclude "no" about the morality of being deliberately closed to the gift of life, but only because of the greater "yes" of that gift in itself. We are only here to debate about these questions because others have given us life and nurtured us to today.

Thank you to all parents – including my own – who accept this call with generous goodness and God's grace. Through years of ministry and my own family experience, I have come to know some dim picture of the courage, patience, trust, and at times anguish you live. But know that in all of it, you are creating the future, day by day, in love.

STEWARDSHIP AND EVANGELIZATION
LIVING A LIFE OF DISCIPLESHIP

“The kingdom of heaven may be likened to a man who sowed good seed in his field...He who sows good seed is the Son of Man, the field is the world, the good seed the children of the kingdom.” Matthew 13:24, 37-38

As children of God, we are all “good seeds”. We are blessed by God with the potential to accomplish much good in the world. We fulfill God’s plan when we spend time in prayer every day, use our skills to help others and share our financial gifts to help build God’s kingdom on earth. Through our example of gratitude and generosity we sow “good seeds” on earth and ultimately help each other get to Heaven!

MCCL FAIR BOOTH

Each year our parish is asked to have people present in the Minnesota Citizens Concerned for Life booth at the Benton County Fair to share information regarding the protection of all human life from conception to natural death. This message needs to be shared now more than ever before!

We need your help! On Friday, August 4, we are asked to provide people to be in the MCCL booth (for a two hour shift) from 9 am-9 pm. The booth is all set up and materials will be provided. One person is able to manage the booth, however it's nice to have a friend join you. It will make the two hours shift go very quickly. Please call Aggie Schulte at 320-252-1417 to answer any questions you may have and/or to volunteer.

ST. FRANCIS XAVIER SCHOOL HELP WANTED

Come join our St. Francis Xavier School staff this fall. We have a couple of openings for employment in our school.

We are hiring a preschool para to work closely with the lead preschool teacher on Tuesdays and Thursdays throughout the school year. The para would work directly with our preschool students helping in the preschool classroom.

The SFX Afterschool Care program is looking to hire people to supervise students in preschool-5th grade. Aftercare hours would be Monday-Friday from 2:30-5:30.

Applicants for both positions need to have a positive attitude, enjoy spending time with children, and have experience working with children.

To apply, please contact the school office at 320-252-9940.

A PLACE OF HOPE

Thank you for your support to donate a meal in the month of July to the Place of Hope. Check out next weeks bulletin for our August meal. We are still looking for teams to serve the meal. Please contact Sandee Kremers at 320-252-1363 ext. 403 or by email at skremers@stfrancissartell.org.

FESTIVAL NEWS

Please join me this **Sunday night (July 23rd) at 7:00pm in the Gathering Place** to review where things are and to make plans for our 75th anniversary festival that will be taking place September 16th and 17th. Help is needed to take some small pieces and by bringing many together, details can be worked out to make this a fun and successful event.

And, the call is out for many helpers on Wednesday, July 26th at 9:00am. Again, we're meeting in the gathering place to stuff our festival packets. It works best to be in teams of 2, so invite a friend. This is a good project for teenagers and up – especially those looking for service hours for confirmation or National Honor Society. It will take a couple hours, but it will go by quickly. Refreshments will be served!

Questions on either of the above items – contact Tom Offerdahl at 320-252-1363, ext. 405 or email tofferdahl@stfrancissartell.org.

2023 FRANTOBER FEST SILENT AUCTION

We've already received some nice donations – thank you! Embroidered dish towels, gift baskets, a big electric griddle, several children's toys, a gift card to Manea's Meats, small home appliances, a king-sized sheet set, and other items have already been dropped off. What makes a good donation? Many things – think of birthdays, anniversaries, and other gifts. If an item would be a good gift for something like that, then it would probably be a good silent auction item. Call Chair people Candice Koopmeiners at 320-654-1350 or Pam Banjac 320-309-4735 if you have any questions.

2023 – 2024 FAITH FORMATION
