

### **For the People of our Parish**

The Area Catholic Community of Mayhew Lake, Sauk Rapids, Sartell, and St. Stephen

Updates for the virtual meeting via Zoom on July 14th, 2020.

- A welcoming video is being developed to explain the purpose and activities of our One In Christ ACC. We hope to inform and energize our parishioners.
- Our One In Christ ACC council members are looking for engagement by our parishioners to assist with visioning and strategies to advance three key goals as our first steps in greater collaboration:
  - *Stewardship, to make the best use of our resources in people & financial support for our parishes & ACC*
  - *Young Adults (ages 18-30), to explore ways to benefit from their participation in our parish communities*
  - *Evangelization, to reach out beyond our current membership and invite others to be One In Christ with us in our Catholic communion*

Please contact your parish ACC representative to get involved.

Annunciation - Jean Bemboom, Shirley Scapanski, Leonard Popp

Sacred Heart - Jeff Brunn, Joan Krause, Joe Kresky

St. Francis Xavier - Adam Vonderahe, Candice Koopmeiners, Frank Rajkowski

St. Stephen - Carol Hellmann, Chuck Spychala, Stef Rothstein

- The first "One In Christ" Sunday bulletin (of our four parishes) is on track to be published the 1st weekend in August.
- The relationship between the ACC and each parish council is crucial in meeting our mission as set out by Bishop Kettler: "make disciples of our people". The ACC representatives from each parish will be meeting with their respective parish council to listen and identify needs, concerns, and perspective.
