MINISTRY & LIFE PERSPECTIVES

Remember When?

Anyone remember the days prior to Lent when there was family discussion about what everyone would give up for the six weeks prior to Easter? In my family it went something like this, at the evening meal Dad would announce that beginning on Ash Wednesday all the children would give up candy for Lent AND the whole family will pray the rosary every day on our knees in the living room after the supper dishes were completed. There were rules about the rosary too, like no one could be in touching distance to another, and kneeling meant kneeling up, not leaning back on your legs. We took turns leading the rosary, with Mom or Dad reciting the mysteries. At the time I cannot say I really enjoy it, except when I was able to lead, but today it is a memory that warms my heart, and I am forever grateful for my parent's commitment to honoring Lent. For a little girl, it literally made Easter all the sweeter, for the candy we had collected and placed in our dresser drawer could now be consumed!

I came to know Lent in a deeper and more profound way as I grew in faith and understanding of Jesus and his Church. Today I understand that Lent beckons all those who are baptized in Christ to draw closer to him by deliberately taking time to examine how we are or are not living as Jesus taught. How wise of the Church to include this six-week preparation before we once again rejoice in the Resurrection of Jesus and the gift of eternal life.

Lent offers a time to grow in faith, to focus on how we live and love as Christians. Giving up something during Lent (fasting) was intended as a penitential act that would remind us to remove the things in our lives that may keep us from growing in faith. We sacrificed in some small way in comparison to our Lord's sacrifice, that we might be reminded of our need to live authentically as Christians. Further, the Church calls us to prayer that we spend more time with Jesus and to almsgiving in order that we might give careful thought to how we help care for the poor among us.

Prayer – Fasting – Almsgiving - all of these are activities, not just static ideals. We are called to action and we grow in faith while at the same time “preaching” the Good News of Jesus Christ to others through those actions. How will you spend the next six weeks? How might focusing on living as Jesus taught bring you closer to him? What acts of kindness might you engage in as you prepare to celebrate Easter? And how will you help your children and grandchildren to engage in Lenten practices?

Gift us Lord with the courage to be honest with ourselves, the wisdom to understand your call to action, and the grace necessary for an enriching and meaningful Lent. In Jesus' name we pray. Amen.

Deb Rudolph

LOVE YOUR NEIGHBOR

“One of the most practical ways of assuring that we will always have enough

The Common Thread of Holy Saturday: How a Trauma Lens Can Unite and Strengthen our Catholic Church

Many people spend Holy Saturday (trauma's aftermath), by getting ready for Easter Sunday (triumphal new life), which reflects our overall unease with trauma (Good Friday). Trauma and its aftermath are viewed as something to "get over" as soon as possible, otherwise we risk shame and stigma. We forget: the resurrected Christ still carried his wounds. This presentation will explore the aftermath of trauma, and how use of a trauma lens can serve as powerful witness. We will discuss pastoral responses that help or hurt and will close with a look at what a trauma-responsive Catholic Church might look like.

Thursday, March 4, Webinar presentation from 6:30-8:30 p.m. Event is Free. Registration is required (register at least five days in advance of the event); please visit www.collegevilleMN.com/theologyday, call 320-363-3560, or email theologyday@csbsju.edu to register.

Updates for *One in Christ ACC Planning Council virtual meeting held on Feb. 2, 2021*

Committees:

We are looking to involve more parish members in the work of the committees for their creative ideas and to foster communication with parishioners. Contact your parish representatives if you are interested.

•**Stewardship Committee** continues to work on education through discussion of the book, *Stewardship Success* in parishes. They have also developed slides and handouts that can be used in an effort to help parish leaders understand and embrace stewardship. This committee plans to work collaboratively with the Evangelization Committee in the future.

•**Evangelization Committee** is sending out letters from the ACC Planning Council to a number of parish households. Follow-up phone calls to those receiving letters in each parish will be conducted by fellow parishioners during the coming months.

•**Young Adult Committee** shared a proposed job description for a Young Adult Ministry Coordinator to serve all four parishes. The proposal will be shared with the Finance and Pastoral Councils in each parish for their consideration and questions. Any decision regarding hiring will be considered in the future with the consent of the four parishes and their pastors.

•**Worship Committee** is seeking new members

Mark Kuhl of SFX presented ways to effectively brand the identity of the ACC through the communications sent out by the four parishes. Discussion of this proposal will be on the next agenda.

Discussion continues on the future structure of the ACC Planning Council.

The next meeting will take place on March 2nd, 2021. More information on the work of the ACC can be found on the *One In Christ* website, www.oneinchristacc.org

ST. FRANCIS XAVIER PARISH

Together, Our Lenten Journey Begins

For the first time in all our lives, we received the ashes of Ash Wednesday in a new and different way – we were “sprinkled” with ashes reminding us that we are to” Turn away from sin and live by the Gospel.” We may

also have heard, “Remember man, that you are dust and to dust you shall return.” Over time our Church has moved to accept either of these statements to mark the beginning of our Lenten journey.

Each year Christians the world over use the six weeks of Lent to draw closer to Jesus Christ remembering the sacrifice that he made for all people. It is a time to reflect upon our relationship with Christ and with one another. Lent is traditionally a time of penitence, a time to look honestly upon our need to be forgiven for our sin and so, turn from sin and live by the Gospel. It is also a time that reminds us that our time here on this earth is not the whole of our lives for our eternal life awaits, and so, remember that we are dust and to dust we shall return.

Which ever of the two statements you most identify with, take them to heart. Use the coming weeks as a time to honestly assess how you live as a Christian in the world we share. Consider making a real effort to spend more time in prayer, to thank God, to praise him, to petition him with your needs, to listen, to hear and then to act in the way that Jesus taught us, by loving one another.

Let your prayer lead you to acts of love shown to your family, friends, co-workers, strangers, in your home, at work or school, in your community and in our world. What is it that you want God to know about you – about how you love others? What can you do in the coming weeks to share the incredible love that God has so generously poured out to his people?

Our lives are not meant to be lived in isolation. We are members of the Body of Christ, a people who love God by loving others. Let us all be mindful of our need to love, to love God and to love all those with whom we share life. May your Lenten journey be blessed and rewarding.

In Christ’s love,
Deb Rudolph

P.S. Be sure to stop by the Gathering Place at St. Francis Xavier and add your acts of love to the Cross of Christ. Our community will present these acts of love to God during the Offertory at the 10:30 a.m. Palm Sunday Mass.
