

For the People of our Parish

The Area Catholic Community of Mayhew Lake, Sauk Rapids, Sartell, and St. Stephen

Updates for the virtual meeting via Zoom on Tuesday, May 26th, 2020

- Our ACC plan to the diocese for the sharing and growth of our four parishes was revised and resubmitted to now include target completion dates and a slightly revised weekend Mass schedule that proposes to change St. Stephen's Saturday evening Mass to 7:00 p.m. from the earlier plan of 5:00 p.m.
- A sample ACC Combined Bulletin was reviewed. Upon review, it was decided that we attempt a second version combined bulletin that has two pages devoted to community/common information with an additional page for each parish. When including advertising, the total length to be 8 pages, with the possibility of going to 10 pages if needed. Each parish would still have the option of providing an insert for their own particular needs. Specific bulletin content has not yet been determined.
- The trustees from each parish will be meeting with the diocese' newly assigned priest/s to determine the financial obligations (percentages) for each parish relating to priest's salaries and expenses. This information is needed for budgeting and planning purposes.
- A weekday Mass schedule was proposed and will be relayed to the new priests of our ACC.
