MINISTRY & LIFE PERSPECTIVES

From safari...

The answer is blowing in the wind. Meteorologists are reporting that this spring has been windier than normal. I don't mind windy days, as long as the wind is not destructive, even if it means a bad hair day. As the wind envelops me, I feel the loving touch of God. Although lately the wind has been my nemesis as it has repeatedly tipped over my six foot plus hibiscus tree. Recently the wind simply lifted the hibiscus tree out of its pot. It appears I have found the wind tunnel around the church buildings.

Wind is on my mind as I reflect on Pentecost, this last day of the Easter Season. Today we hear the Holy Spirit come as a strong driving wind upon the disciples and as the gentle breath of Jesus. Whether as a mighty wind or a gentle breath, we celebrate Pentecost today. "The feast of Pentecost celebrates a key moment of the Spirit's ever-renewing presence in our lives. Pentecost functions like a movement that breaks down the boundaries of time and culture, and most of all, of our settled and certain attitudes that are epitomized in an unwillingness to forgive.

The symbol of multiple languages represents everything that divides us, everything that truncates communion. Pentecost proclaims that God created our diversity to enrich us so that understanding one another would lead us to grow in community with all of God's beloved.

If we want Pentecost to come to life in us, today's Scriptures tell us that forgiveness is the place to start. Today's Gospel demonstrates that knowing and accepting the truth about ourselves opens us to the Spirit. According to the model of today's Gospel, the second step in our Pentecost process is to become involved in reconciliation by forgiving and by being agents of forgiveness who help others learn that it is possible. Pentecost is a long process." (June 2019, Celebration, p.12, The National Catholic Reporter Publishing Company, Kansas City, MO.)

Forty years ago, on the evening of Friday, May 28th, in the St. Joseph Church in St. Joseph, I felt the Holy Spirit flow around and through me, as I was prostrate during the Litany of all Saints. Only with the help of the Holy Spirit have I been able to shepherd with Christ. The Spirit has enabled me to reach beyond my own limitations.

(Ministry & Life Perspectives Continued)

Yes, the answer is blowing in the wind, for the Holy Spirit brings us to the truth, that we are his precious children, all are our brothers and sisters, and we are to bring to all the Good News of love and forgiveness. Come Holy Spirit, empower us, strengthen us, give us courage, and enkindle in us the fire of the Divine Love.

A blessed Pentecost and have a joy filled week.

Set up and take down is a **GREAT opportunity** for Confirmation students to get their experiences in before school starts. The Servants of the Lord and the Virgin of Matará (www.servidoras.org or www.ssvmissions.org) a Missionary Institute of religious sisters, are happy to be given the opportunity to speak at **Annunciation-Mayhew Lake & Sacred Heart Church in Sauk Rapids**, for the mission appeal on **June 25/26**. From our beginnings in San Rafael, Argentina in 1988 we have grown to about 1600 sisters missioning in 45 different countries throughout the world. We strive to go where the presence of religious sisters is most needed. Although we are an international community, we have been blessed with over 100 vocations from the United States. This appeal allows us to inform the members of your parish about our mission work in Argentina. As you may imagine, our missions in places like Argentina are in great need of support. The sisters work in several schools, providing education for children and teenagers. They also have three homes for persons with special needs. Since most of the school students and residents in the houses of mercy come from poor families, the sisters also take care of the families by giving them some assistance. As you may know, Argentina is not economically stable at present. We are asking for help for the Novitiate house as it is the house with the greatest need. Thank you, Fr Tom Knoblach, for giving us this opportunity to speak at Annunciation/Sacred heart Parish and share with you about our mission in Argentina. As we daily strive to help those in need, we are most grateful to all of you for your prayers, contributions and generosity, truly a grace from God and a consolation for our missionary sisters. Please be assured of our prayers for all of you as well!

FALL FESTIVAL FUN

It's time to start looking ahead to our Fall Festival. There are several areas covered and plans are already shaping up, but it is good to gather to review progress and address questions. There are a couple of festival possibilities that would be nice to add if we can get volunteers.

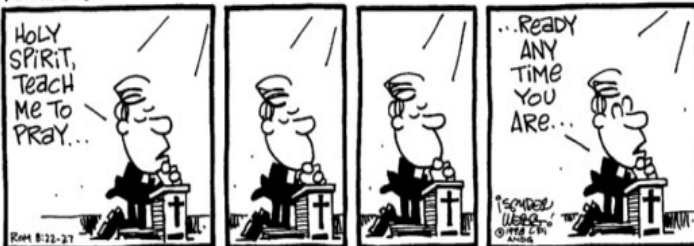

First is **BINGO**. This is tradition that would be nice to have. It would only need to take place from 5:30 to 7:30 on the night of the festival. The other attraction that is a **Franny** special is *The Mouse Game*. People who have been to our festival in the past are familiar with this. It is an outdoor event and, again, would only be about 2 hours. If you are interested in leading either of these, please call Tom in the parish office at 320-252-1363 or email tofferdahl@stfrancissartell.org.

Help needed! Children games will run from 5 to 7. Looking at one shift unless I get lots of volunteers than two 1 hour shifts. Games being played 3 in a Row; Suspense game, Ring Toss, and Duck Pond.

If you have artistic talent or want to be looking for artists for Face Painting. If interested in any of these please call Margaret at 320-249-9304.

NEEDED: Prizes for kids games; if you have some your kids have grown out of that are in decent condition or if you would like to buy something that would be helpful. Remember these would be little prizes nothing big! Have any of these donations to the church by August 1. If unsure give Margaret a call or text at 320-249-9304.

PENTECOST

PARISH CEMETERY CLEAN-UP

Any non-compliant items at the cemetery need to be removed from gravesites by **Monday, June 6th**. Each monument can have 1 single pole plant stand at the head or foot of the grave where the primary marker is located. Monuments with built in vases can still have a single pole plant stand as well. Items poked into the ground or laid at gravesites will need to be removed. Solar lights are not allowed at St. Francis Xavier Cemetery and need to be removed. Cemetery Committee members will be clearing things from gravesites on Wednesday, June 8th. Most items are discarded, but items that seem to be more valuable will be kept in the shed at the church for a period of time (a couple months.) If you want to claim items, check in at the parish office and you can go check to see if what you're looking for is located there.

As our cemetery continues to fill up, we ask for everyone's help in keeping our cemetery manageable to maintain. For St. Francis Xavier Cemetery, limits to what can be done are set to allow for remembrance and respect of loved whose final resting place is there. Thank you for your help in keeping our cemetery looking nice.

ELECTRONIC GIVING

A good way to make regular Sunday offerings is through electronic giving. This can be done through bank account debits or by charging your credit card. Contributions can be made weekly, bi-weekly or monthly – whatever works best for your records and budget. Electronic giving forms are available in the entryways to the gathering place, the kiosk located by the coat room, or in the parish office. Please contact business manager Tom Offerdahl at 320-252-1363, ext. 1105 or email toffedahl@stfrancissartell.org to learn more.

Thank you to all who support St. Francis Xavier – your gifts are a blessing!
