MINISTRY & LIFE PERSPECTIVES

Lent: A Journey in the Desert

Greetings my dear brothers and sisters in Christ! Welcome to the Fourth Sunday of Lent. Here we are making that turn from the midway point of our time in the desert into the homestretch, heading toward Easter Sunday!

I find it ironic that it was during our Lenten season last year (in fact about this time last year) that our churches closed. It was as if we were truly in the desert, being cut off from attending Mass, celebrating together with our parish community, and most importantly being separated from physically receiving the Eucharist. In fact, for some they entered into their Lenten journey in 2020 and have never been able to come out of the “desert”. Because of COVID-19 many of our brothers and sisters remain isolated from their parish community. Yes, through the gift of technology we have been able to celebrate together virtually, but adding those who are not able to come now would only serve to enhance our celebrations all that much more!

In a sense, we are all somewhat still stuck in the dryness of the desert because, even though our churches are open and we are able to celebrate at the Lord’s table, we are not able to fully worship with song. This is a key element of worship and prayer for a number of people who I know.

Even being able to touch Holy Water and bless ourselves as we come into church has been a key piece that has been missing for me. The lack of water definitely mirrors any sort of desert journey. It is a good thing that we have Jesus, the Living Water. As the Gospel of John reminds us “Everyone who drinks this water will be thirsty again; but whoever drinks the water I shall give will never thirst; the water I shall give will become in him a spring of water welling up to eternal life.” (John 4:13-14)

I continually pray for all those who are not able to join us and for all who still feel that separation of not being able to worship in the fashion that we were used to prior to our world changing.

Now as we enter into the final weeks of our Lenten journey, we can have hope! It looks like we may be coming out of the desert. More and more people of our parish communities are receiving the vaccine and feeling comfortable to once again return to our churches. Also, it looks as though we may be able to return to singing in a limited capacity for Holy Week.

May these concluding days of Lent bless you and bring you hope! May we all be ready to receive that Easter Joy and exclaim with a loud voice that “Jesus Christ is Risen!”

Deacon Terry

Being a Steward means being a manager.

As stewards we are to manage the gifts that God has given to each of us.

By managing these gifts, we help spread the Kingdom of God on earth and help others come to know the Lord. This is known as Evangelization.

Live a life of stewardship.

Visit the link thepopevideo.org for the March 2021 pope video.

Translation: *When I go to confession, it is in order to be healed, to heal my soul. To leave with greater spiritual health. To pass from misery to mercy.*

The center of confession is not the sins we declare, but the divine love we receive, of which we are always in need.

The center of confession is Jesus who waits for us, who listens to us and forgives us.

Remember this: In the heart of God, we come before our mistakes.

And let us pray that we may experience the sacrament of reconciliation with renewed depth, to taste the forgiveness and infinite mercy of God. And let us pray that God may give his Church merciful priests.

The Franciscan Sisters of Little Falls invite you to participate in a Good Friday Silent Walk for Peace on Friday, April 2, 9:30 a.m. After gathering outside the west entrance at St. Francis Convent, participants will walk together in a silent procession, stopping to pray at various designated places throughout Little Falls, including St. Gabriel's Hospital, Morrison County Jail and Government Center, Bank Square, Veteran's Memorial, Maple Island Park and a few other locations. The procession will be led by a person carrying a cross. Bringing the cross and our prayers to various places in our community reminds us of the ways Jesus is always with us, especially in our joys and sufferings. Participants can take turns carrying the cross and leading the procession. The walk concludes back at the convent at about 11 a.m. While we will be outdoors, we will maintain social distancing and follow current coronavirus safety protocols (masks are encouraged!). In the event of bad weather, this event will be cancelled.

ST. FRANCIS XAVIER PARISH

A Lenten Reflection

Our Lenten Journey is often referred to as a time in the desert drawing on the experience of

Jesus' forty days there. How long have you been in the desert?

What are you looking for? How will you find it? And how will you know? Have you ever experienced a dryness of faith? What feeds you in this time of dryness? How thirsty are you? Have you, like Jesus, dealt with temptation? What is it that you need? Do you long for the truth to be revealed to you? Are you searching for God? Tell him what you need. Know he hears you. Listen.

We have passed the halfway mark. Today our Church celebrates Laetare Sunday – we pause at the halfway point to rejoice – from the Opening Prayer at Mass today we hear proclaimed “Laetare Jerusalem!” meaning “Rejoice O, Jerusalem!”

God is with us. God has a plan for our salvation – rejoice and believe.

Listen to his Son. Come walk with him to the Cross.

Be with him, pray for him. Pray for yourself and those you love.

Open your heart to God's unconditional love for you. Ask for forgiveness. Humbly, know it is yours.

Prepare to receive the gift of New Life! New life after death; the Paschal Mystery.

Look forward to the promise of eternal joy.

Prepare to live as an Easter people.

Blessings for the journey,
Deb Rudolph
