

For the People of our Parish

The Area Catholic Community of Mayhew Lake, Sauk Rapids, Sartell, and St. Stephen

Updates for the meeting on Tuesday, February 4th, 2020 @ Sauk Rapids

- A "One in Christ" ACC shared website was discussed and will be created showing and linking our four parishes.
- Individual church bulletins will remain the same for now.
- We are looking into a communication platform, an app, on which our four parishes can share information.
- A Community building event, a "Progressive Supper", is being planned. Its purpose is to introduce and bring our ACC community together.
- Our ACC is in support of a request that was made to the Bishop that an additional priest be added to our ACC. It would help us to better serve the 10,000 plus members of our four parishes.

The next meeting will be held on Tuesday, March 31st, 2020 at 7:00p.m. at St. Francis Xavier.
