MINISTRY & LIFE PERSPECTIVES

Catholic Etiquette *(continued)*

The Reception of Communion: each communicant is free to choose to receive either on the tongue or in the hand, although either is to be done with sincere reverence and appropriate care for the

Real Presence. In receiving in the hand, one is to hold one palm upward in the other; one should never take the host in the fingers directly from the minister unless a disability requires this; rather, we truly receive the sacred Host as a Gift, with open hands.

The Host is to be put reverently into one's mouth whole, not broken in the hand. After receiving the Host, one steps aside and immediately consumes the Host before returning to the pew. One is also free to receive under both forms ("Body" and "Blood," never "bread" and "wine"), if they are offered. (Some persons with celiac disease must receive only the Blood or a low-gluten Host.)

In receiving the Precious Blood, one also makes a bow to the Cup as a sign of reverence, answers "Amen," takes a small sip from the Cup, and carefully hands the Cup back to the minister of Communion. The rim of the Cup is wiped with the purificator between each communicant.

Intinction (the communicant dipping the Host into the Precious Blood in the chalice) is not permitted due to the risk of spilling the Blood that may drip from the Host in that case.

Recall that one receives the whole Christ under either species or any portion thereof. In times of contagious illnesses, the common Chalice may be withdrawn for reasons of hygiene, but communicants still receive the whole Christ if only the Host is offered. The celebrant must always receive under both forms, however.

The Eucharistic Fast: as a sign of desire for the Bread of Life, individuals normally are to observe a one-hour fast before receiving Communion (note, not one hour before Mass time). This is more fruitful for those who make a conscious choice to create within themselves a genuine longing for Christ to come to fill their emptiness. The one hour fast is the minimum; one may certainly choose a longer fast.

(Ministry & Life Perspectives Continued)

The length of the Eucharistic fast has varied over history. I remember my parents speaking of fasting from midnight before the Sunday Mass. For a time in the 1950s, the fast was set by Pope Pius XII at three hours and permitted the taking of medicine and water. In 1964, Pope Paul VI changed it to the current discipline of one hour.

This fast requires that one take no food or drink, other than water if necessary, for one hour prior to receiving Jesus in Communion. Necessary medications are excluded from the fast, as they are not taken as regular food or drink. Chewing gum and smoking are fitting items for this fast also. At any rate, it is never appropriate to chew gum, smoke, or eat in the church.

Those who are sick and receive Communion at home, in the hospital, or in another setting away from church are not bound strictly by this one-hour fast. They are asked to fast for 15 minutes if possible; however, even this is mitigated in cases of necessity. Those visiting or ministering to the sick may also receive in this visit, even if they have not fasted, although they are also free to forego Communion at this time.

“My God will fully supply whatever you need...” -
Philippians 4:19

God really does provide for those who are grateful and generous. This is very difficult for people that don't live a stewardship lifestyle to believe. People are skeptical and say it's just coincidence. If you are skeptical, try living a stewardship lifestyle for just one month – be generous with your gifts of time in prayer, talent in charitable works, and treasure, then see how God provides for your needs.

The Bishop's Annual Appeal proudly supports respect-for-life efforts in the diocese. To provide even better support and coordination for these ministries, the diocese has recently named an Associate Director for Respect Life. This change allocates more time and resources to respect-for-life initiatives. Your generosity helps make this possible. To donate, visit www.stcdio.org/annualappeal or mail to: Bishop's Annual Appeal, P.O. Box 1538, St. Cloud, MN 56302.

FAITH COMMUNITY NURSING

Have you ever wondered how you could connect your experience/ability as a nurse and your faith?

Our One in Christ Area Catholic Community is looking for that special person who is interested in this opportunity. If this is something that you have thought about and prayed about, now is the time. Please call Bethany Tollefson for all the details and any questions that you may have.

Faith Community Nursing (FCN) is a specialty of nursing that focuses on the intentional care of the spirit and whole-person health. FCNs help prevent illness. Some examples of how FCNs may serve (depending on their availability and the need) are

- Home and hospital visits and calls,
- Educational offerings
- Connection to community resources,
- Care group facilitation,
- Baby blankets and prayer shawl ministry,
- Mental health education and resources
- Much much more!

The next Foundations of Faith Community Nursing Course is offered virtually on November 5, 6, 12, and 13.

Scholarships are available.

Contact bethany.tollefson@centracare.com or visit Foundations of Faith | CentraCare for more information.

If you are a young adult aged 18-39, please take the time to complete this 10-15 minute assessment. If you feel inclined, we also encourage you to share this assessment with your family and friends. Your submission will remain anonymous unless you leave your contact information for a follow-up.

If you are having difficulty completing the form, have any questions, or would prefer an in-person conversation, please contact Jason Prigge, Young Adult Minister for One in Christ.
